Local Development Framework

## Have your say on improving Hackney Central and Dalston town centres

Do you have a view on how development in your town centres, streets and open space can be shaped and improved? We want your views.

As a first step in preparing plans, we have organised a community drop-in session for each town centre. The community drop-in sessions are a chance for you to meet with Council officers and give us views on the future of these centres.

We will be in –

### **Hackney Central on:**

**Date:** 9 April 2008 (Wednesday)

**Venue:** The Narrow Way

(adjacent to the Old Town Hall and Clapton Bus Garage)

**Time:** 11am – 7pm

### **Dalston on:**

**Date:** 10 April 2008 (Thursday)

**Venue:** Kingsland Shopping Centre

**Time:** 11am – 7pm

If you have any enquiries regarding the community drop-in sessions, please phone us on 020 356 8038 for Hackney Central or 020 356 8196 for Dalston.
